## Health and Safety Policy Statement

The core business activities of Rapier Energy Ltd can be summarised as "Fuel Trading and the Collection of Oil Related Wastes for Treatment and Recycling" and this policy is mandatory for activities within Rapier Energy Ltd.

### **RAPIER ENERGY Ltd will:**

- Establish and implement a Health and Safety Management System to manage the risks associated with infrastructure and activities.
- Regular monitoring our performance and revise our Health and Safety Management System as necessary to ensure we achieve our objective of continuous improvement.
- Ensure this policy is reviewed for accuracy and effectiveness on an annual basis.
- Provide sufficient resources to meet the requirements of current Health and Safety legislation and aim to achieve the standards of 'Good Practice' applicable to our activities.
- Actively promote an open attitude to Health and Safety issues, encouraging staff to identify and report hazards so that we can all contribute to creating and maintaining a safe work environment.
- Communicate and consult with our staff on all issues affecting their health and safety and, in doing so, bring the policy to their attention.
- Provide adequate training for our staff to enable them to work safely and effectively, and ensure they are competent and confident in the work they carry out.
- Carry out and regularly review risk assessments to identify hazards and existing control measures. We will prioritise, plan and any corrective actions required to reduce risk to an acceptable level.
- Maintain our premises and work equipment to a standard that ensures that the risks are effectively managed.
- Ensure that responsibilities for Health and safety are allocated, understood, monitored and fulfilled.

### **It is the duty of all of us when at work:**

- To take reasonable care of our own safety
- To take reasonable care of the safety of others who may be affected by what we do or fail to do
- To co-operate so that we can all comply with our legal duties
- To ensure we do not interfere with or misuse anything provided in the interests of health and Safety
